## PET FOOD & SUPPLIES

At Kruse Farm Supply and Garden Center, we understand that choices are important, so we carry many of the best brands of pet products to meet your needs, such as Nutri Source, Diamond and Proud Paws brands. We also stock value-priced foods that will still meet your pets' nutritional needs. Whatever your needs, ask Jen, our Pet Specialist.

➤ **A house is not a home without a pet.**

Visit Ruger's Toy Box to see all the products like chew bones, or maybe a new collar or something to combat those pesky fleas. We carry, along many other things: dog vaccines, various medical supplies, skin care medications, grooming supplies, shampoo, training cages, brushes, nail trimmers, food dishes, heated water bowls, bedding and cage materials, toys, and dewormers.

Dogs and cats are not the only pets we care about at Kruse. We can supply you with food for chickens, pigeons, pet birds, goats, rabbits, guinea pigs, as well as pot bellied pigs, deer, llamas and moneys. Check out our Livestock Feed page for information on food for larger animals .
